

St. Vrain Valley School District Online Credit Card Payment Acceptance Information

The St. Vrain Valley School District can accept credit card payments online from parents or other members of the public through RevTrak. Please review the information below to learn more about the program and how it may be able to help you.

- Payment types that RevTrak is currently configured to handle include:
 - * Fees assigned to students through Infinite Campus
 - * Kindergarten and Preschool tuition
 - * Various Community School programs
 - * Certain program registrations like summer GT classes and eCredit recovery classes
 - * Donations and other miscellaneous payments (where requested)
- RevTrak does not handle food service payments, but does provide a link to School Nutrition's online payment site, www.schoolpaymentsolutions.com.
- In addition to the items above, RevTrak can be configured to handle payments for a variety of other purposes. If you would like to inquire about how RevTrak might be configured to receive payments for your program or department, contact Tony Whiteley at whiteley_anthony@svvsd.org. It can take up to two weeks to get a new product set up, so please plan accordingly.
- You may also submit an online request for a new RevTrak product to be set up for your program or department. Please fill out the online form by visiting <http://bit.ly/pqBCBi> (you must have a SVVSD login). It can take up to two weeks to get a new product set up, so please plan accordingly.
- Parents can reach the RevTrak online payment site by visiting <http://stvrain.revtrak.net>. They can also reach the site from the District's homepage by clicking on "Online Payments" under the "Parents" menu.

Since the District implemented RevTrak almost a year ago, we have received almost \$900,000 in online credit card payments!
